This is Silly Willy. He is very silly.

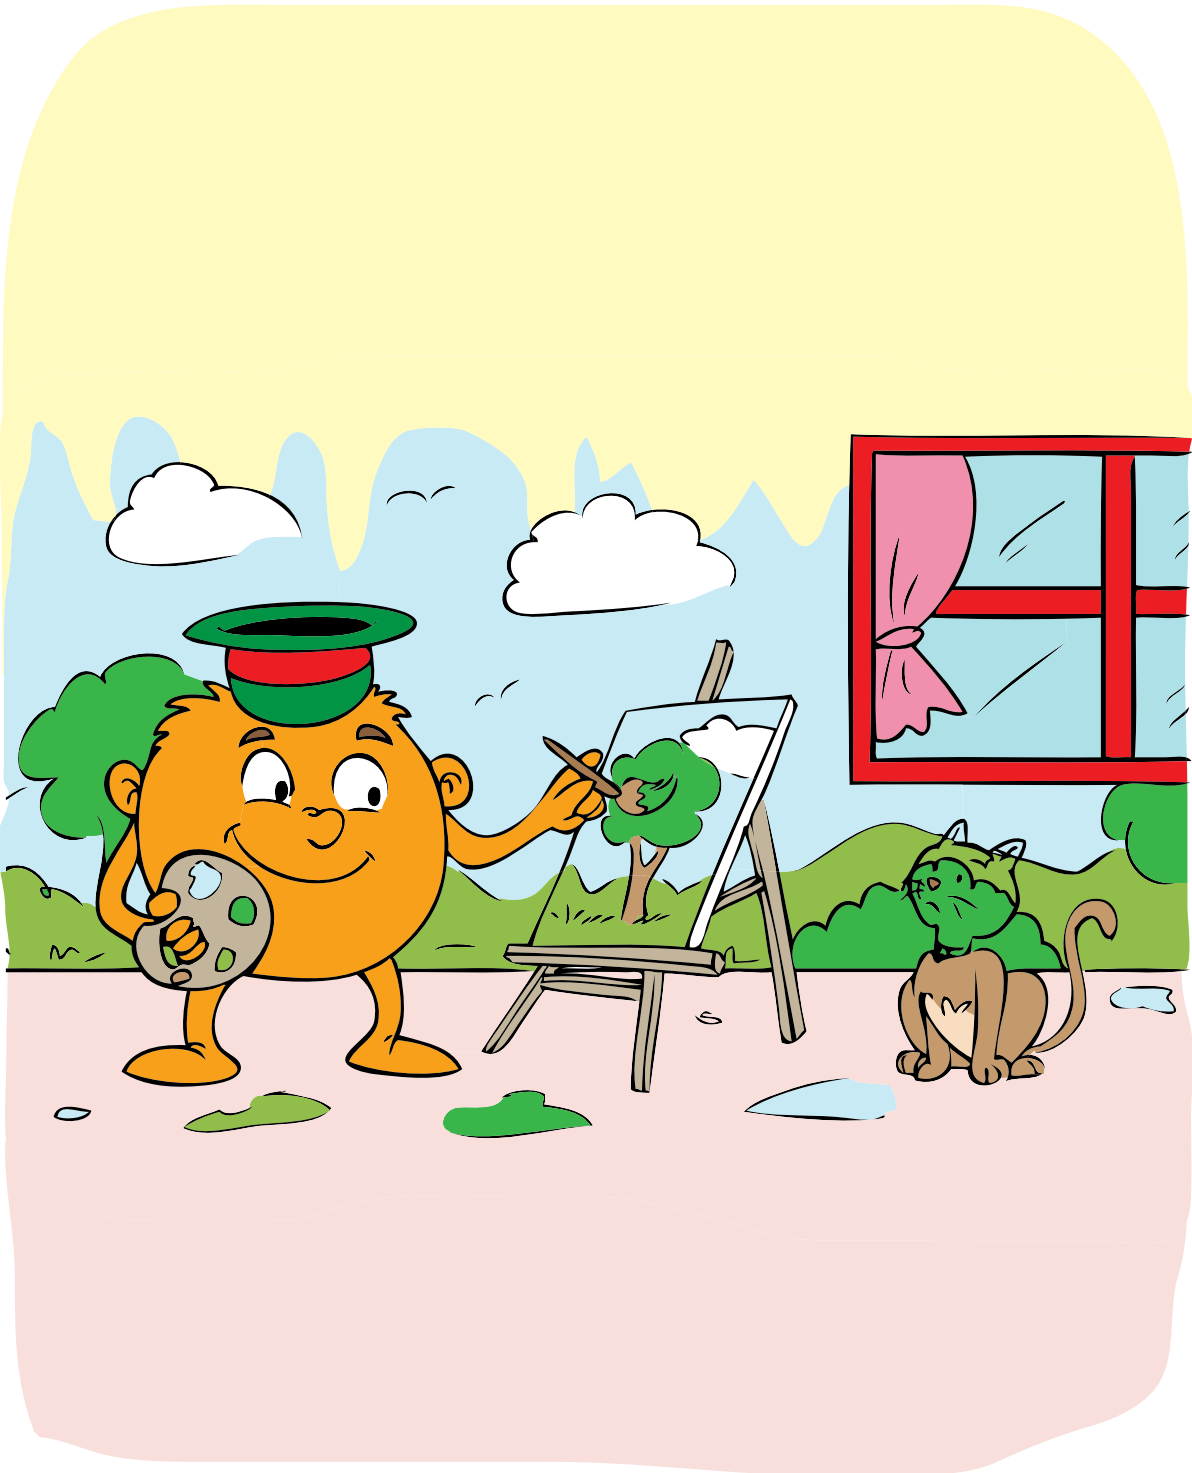

He even wears his hat on upside  
down!

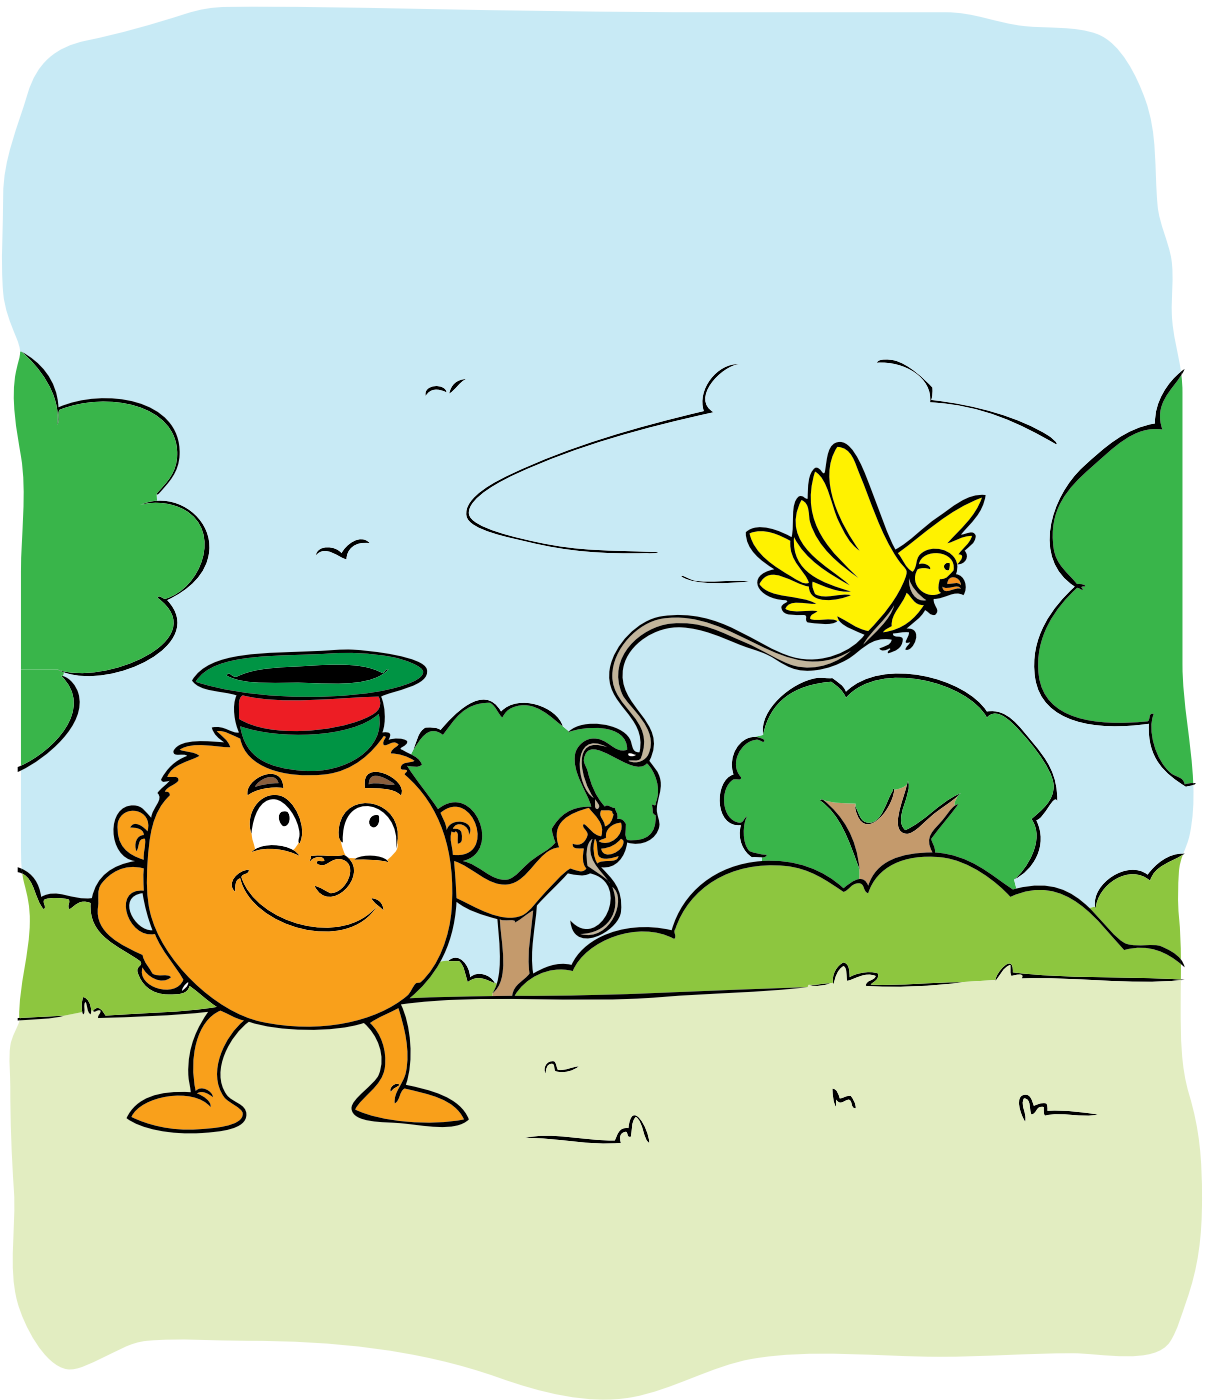

Yesterday, Silly Willy had a great day. What did you do, Silly Willy?

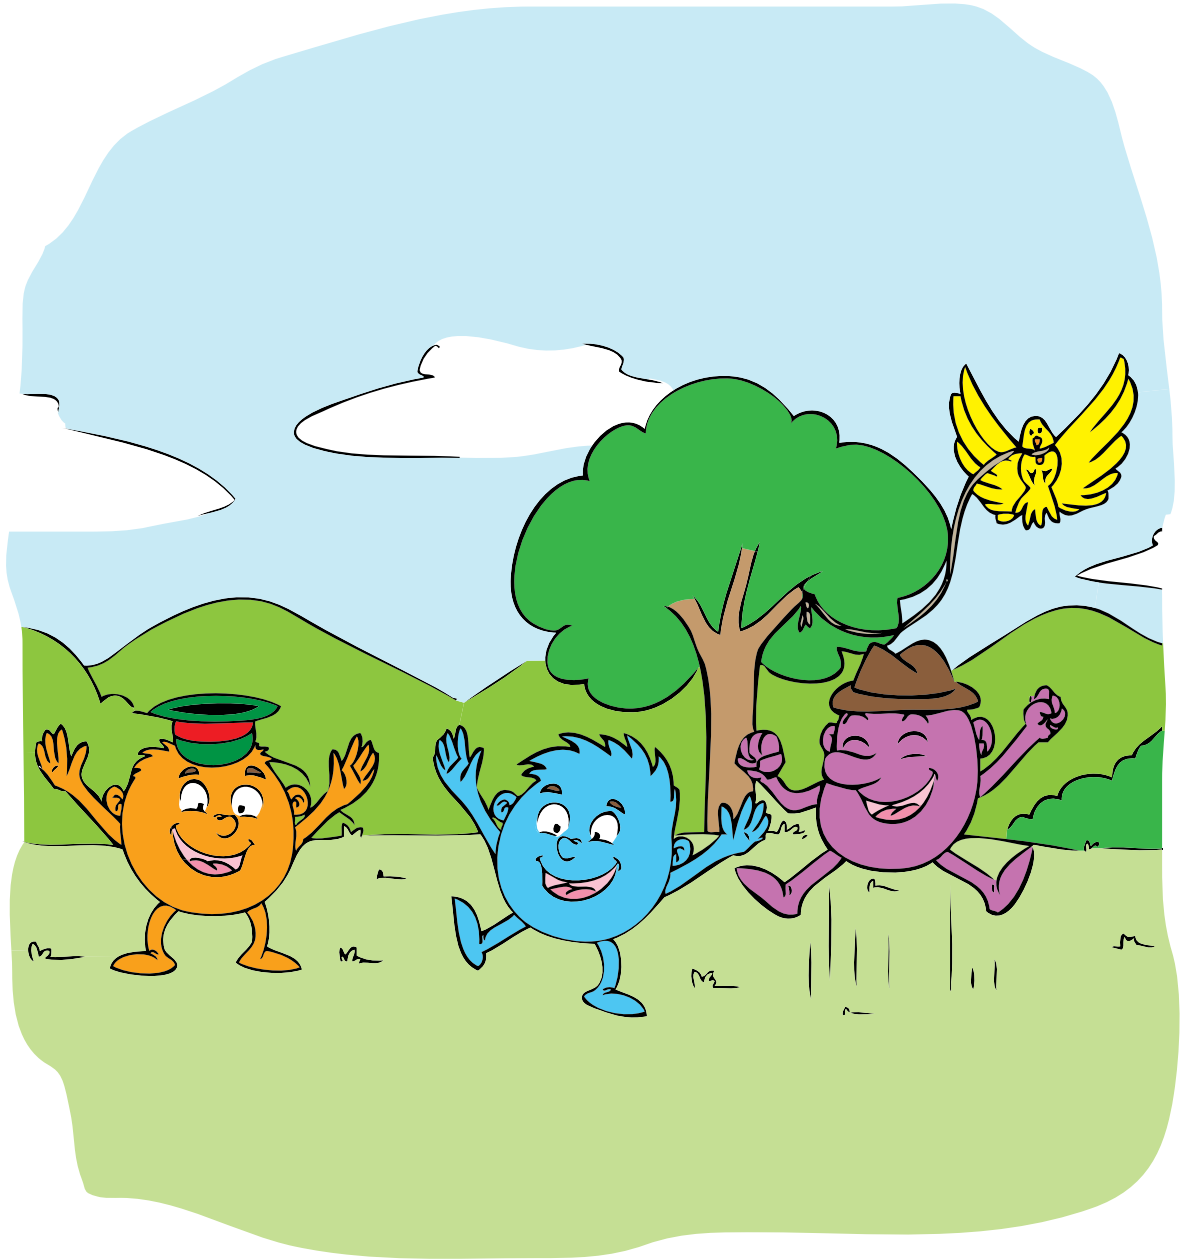

Well, first of all, I watched T.V.

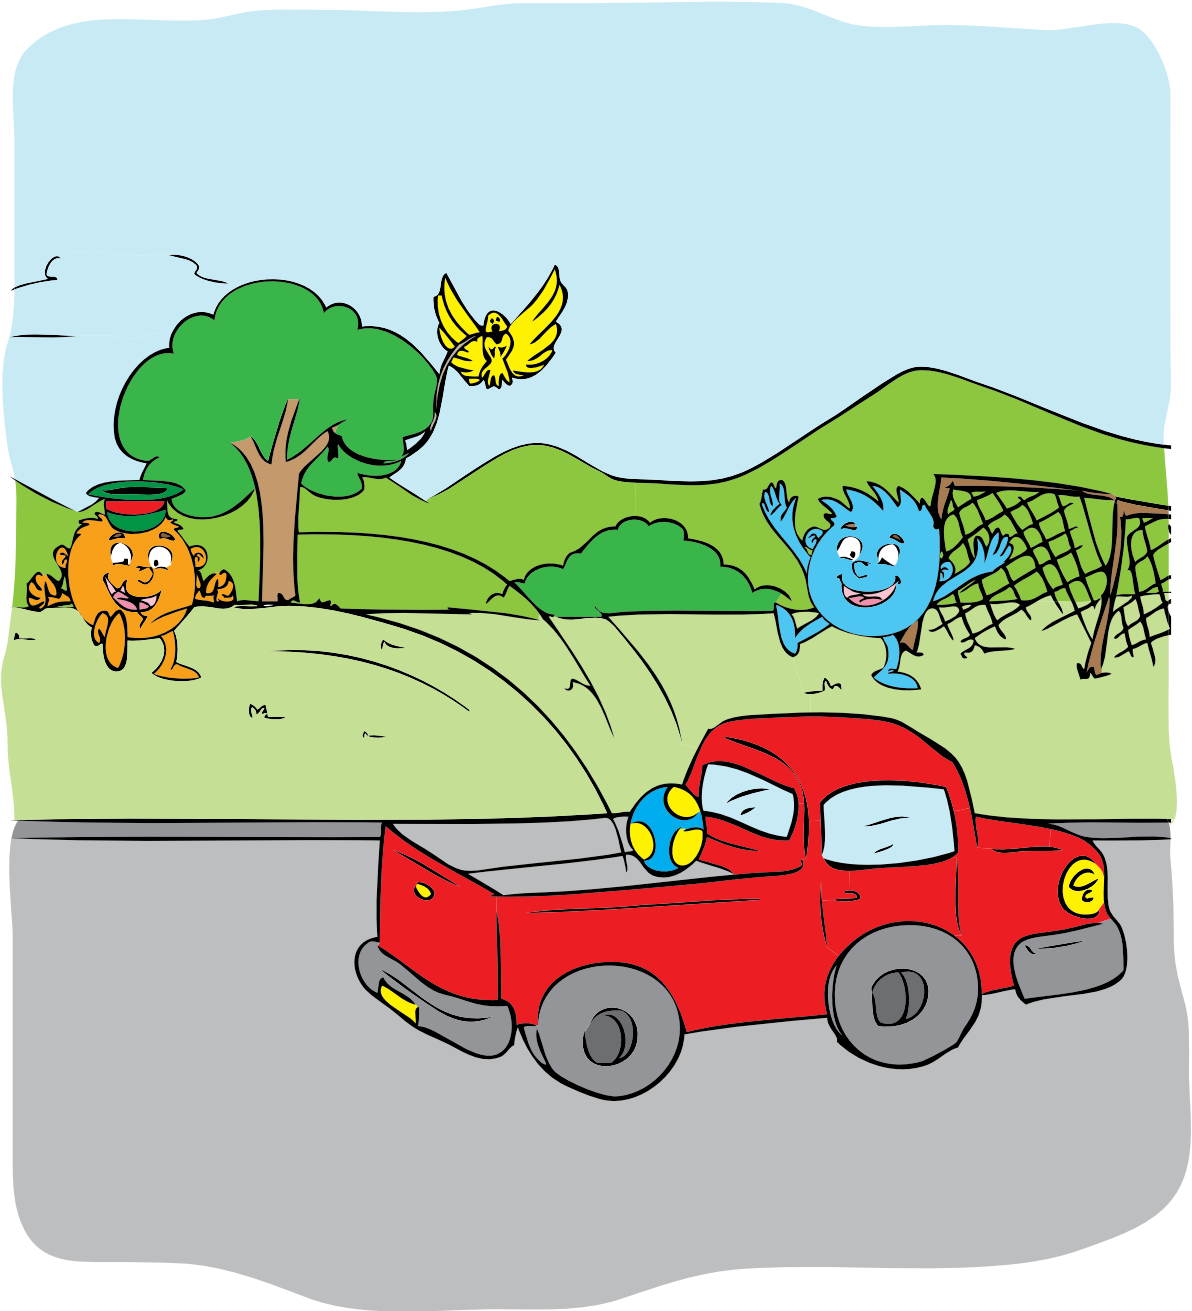

Then I painted a picture.

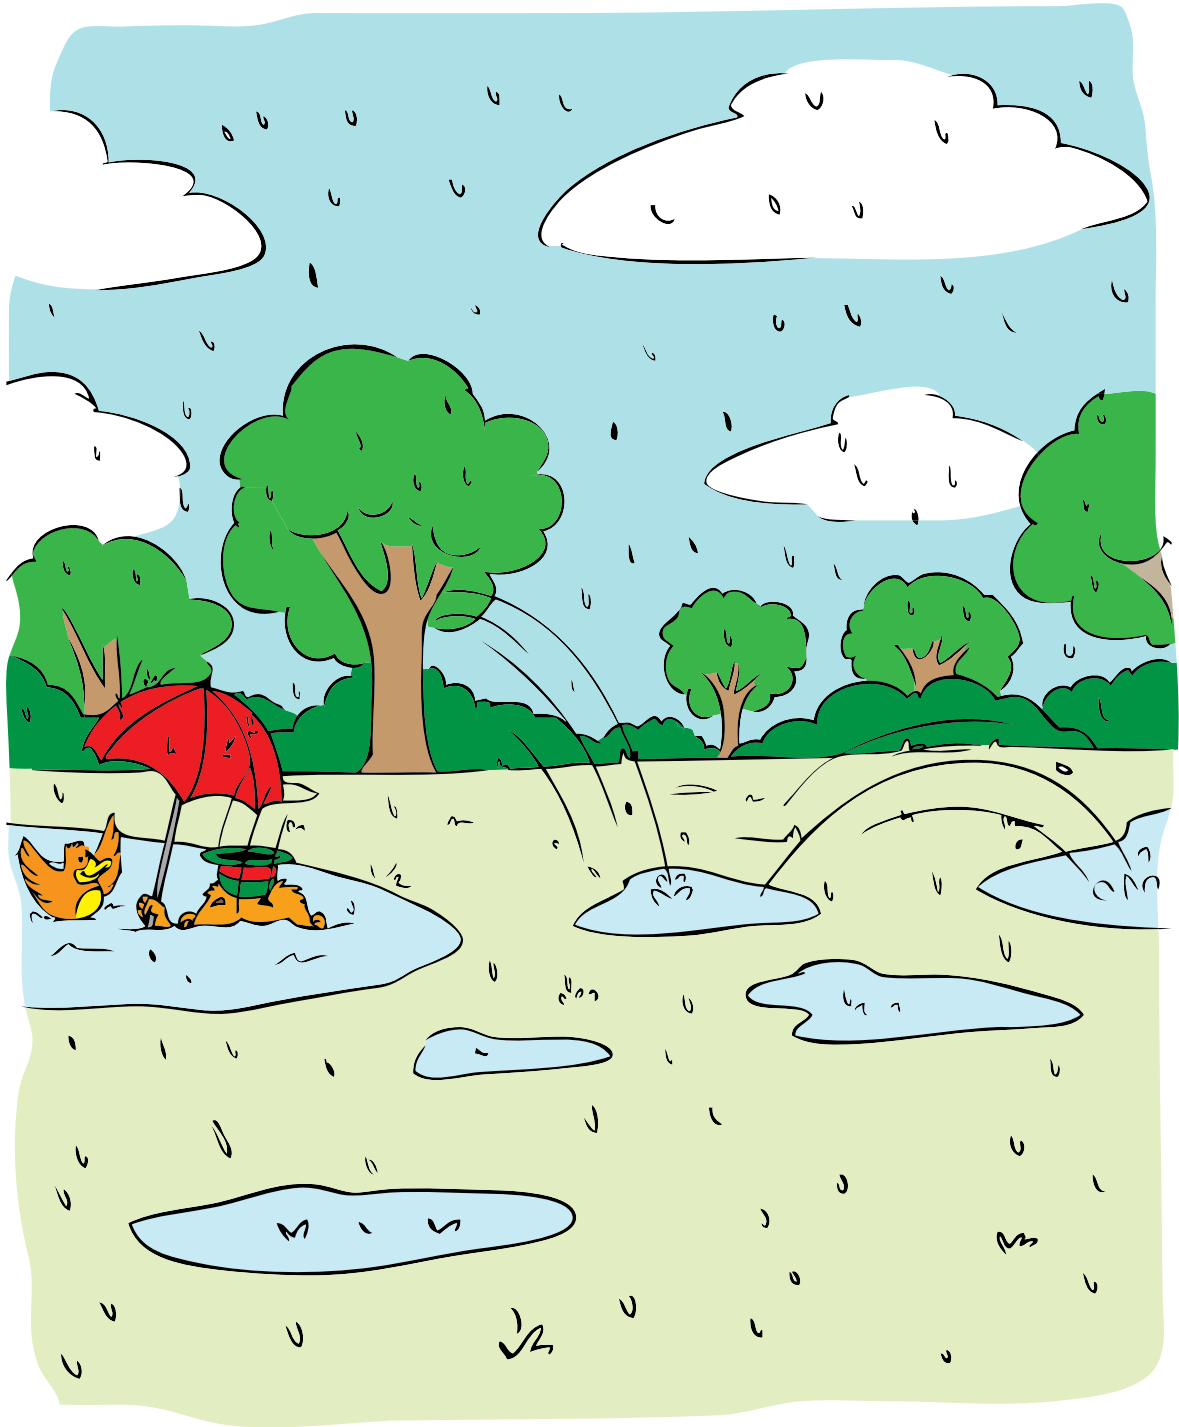

After that, I walked in the park.

Then I played with my friends.

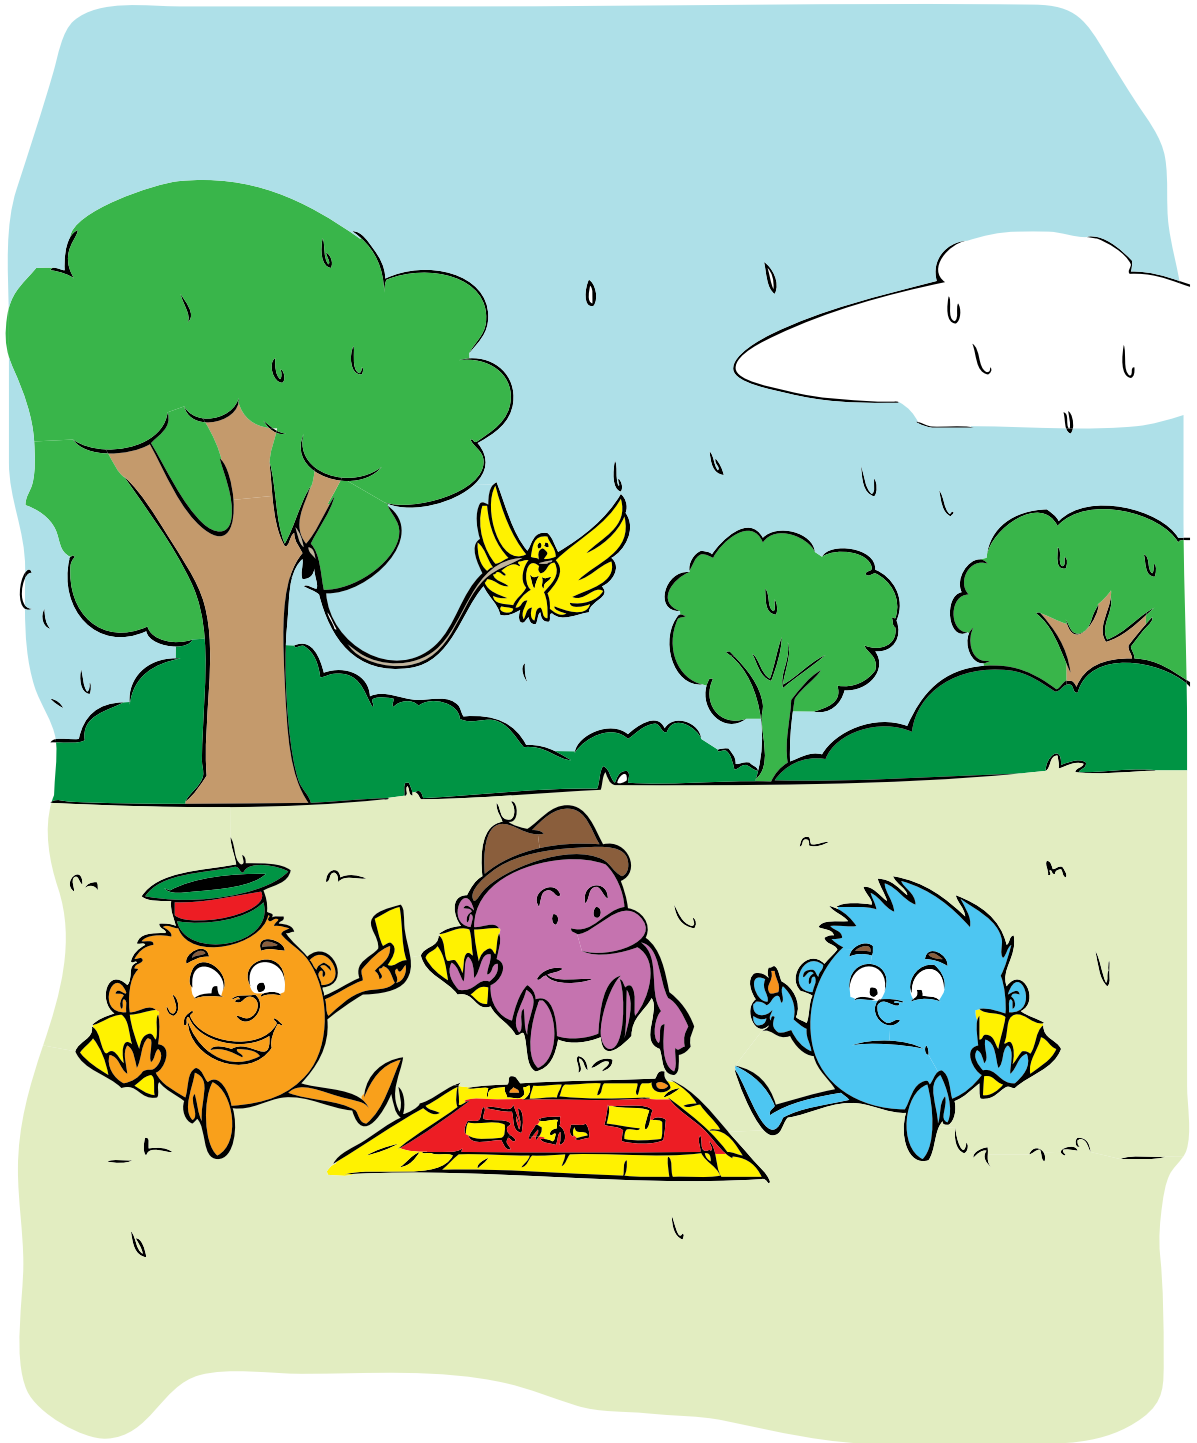

After that, I kicked a ball.

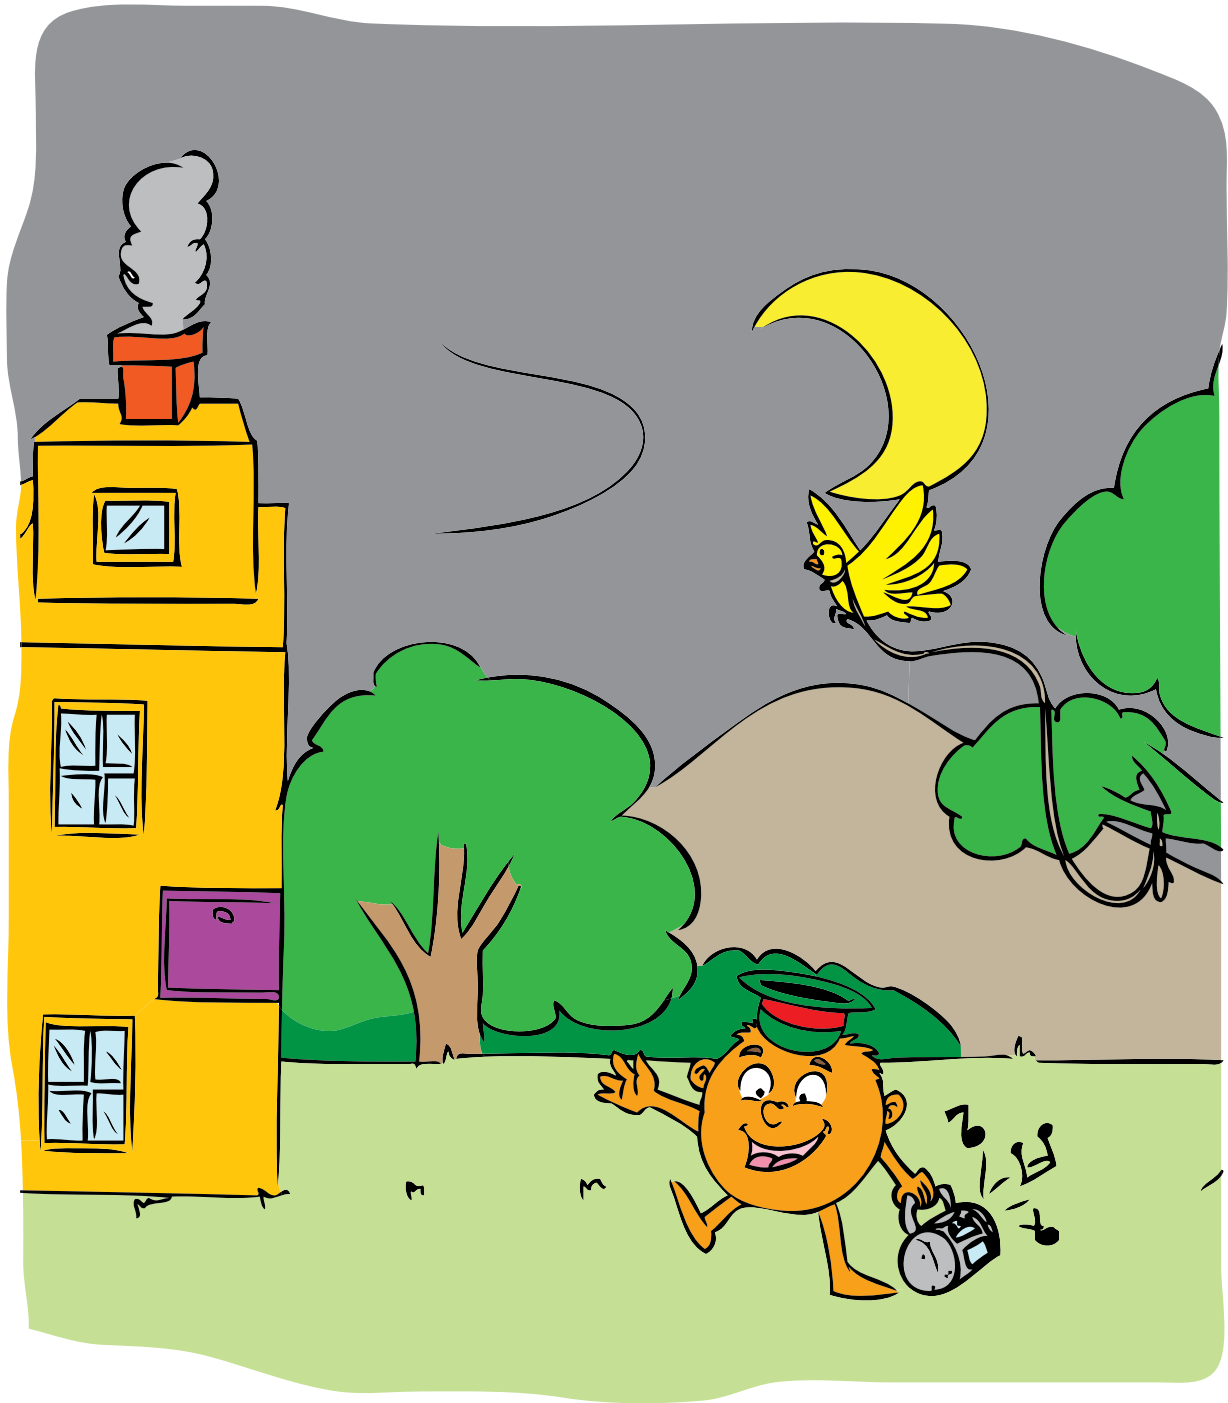

Then it started raining.  
I jumped in puddles.

Then I played a game with  
my friends.

And finally, I went back home and danced and danced all night!

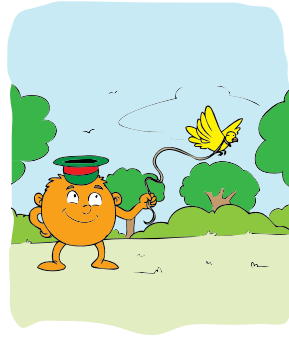

Today, Silly Willy is very sleepy.  
Silly, Silly Willy!
